Denver Veterans Day Parade

Colorado Veterans Project hosts multiple high-profile events during Veterans Day and Memorial Day in Colorado. Our events are focused on bringing together the local community, businesses and local Veterans in order to celebrate the sacrifice and service of our Veterans.

Held in downtown Denver, Denver Veterans Day attracts more than 45,000 spectators and participants. This event will allow you to directly market to a captive and local audience in Denver, Colorado. Attendees of Denver Veterans Day include senior government representatives, high-ranking military officials, multiple local Veteran organizations, military families, and Veteran supporters throughout the state. Our ability to consistently attract influential attendees and supporters is our key to success.
